AMENDMENT

In response to the Office Action mailed March 12, 2002, please amend the above-identified application without prejudice as follows.

In The Claims:

Please amend claims 1, 3, 6 and 12 as set forth below:

*Feb 01*  
1. (Amended) Apparatus for facilitating management by an individual of a physiological and/or psychological state of said individual using images comprising:

a display for a set of images allowing an individual to show to the individual chosen by the individual to one's self; and

*A1*  
a device for allowing said individual to choose images from said set of images which provide a preferred response for said individual, wherein said chosen images provide common measurable physiological response characteristics which define a personalized image response profile for said individual.
